Cynthia,

We would be glad to meet Tuesday, August 4 from 2:30 to 3pm. I am waiting back on confirmation from a couple of people (specifically Jason Wandling and Scott Mandirola). Laura Crowder and Joe Kessler (permit writer) will also be in the meeting.

Would be great if we could do this as a TEAMS meeting. I would be happy to set it up if you would like.

Bev

Hi Bev, Do you have some time next Tuesday, Aug 4 for us to briefly touch base on the July 28 letter from Jefferson County Foundation? Mary Cate has a window between 2:30 and 3pm on Tuesday if that works for you. We just need some background. Thanks. Cynthia
